

## INTEGRATEU: *Summer schools*

on environmental protection, sustainability & ecological behavior  
to support the integration and inclusion of migrants & refugees in  
the higher education – enhance the university professors  
competences

JULY 2024 | VOL. NO. 1

## WHY IntegratEU?

*Erasmus+ KA2 Cooperation Partnerships in Higher Education*

*The IntegratEU project is dedicated to:*

- develop an innovative, multidimensional, transversal & interactive approach for enhancing the competences of university academia to conduct through the environmental summer school an educational process on social inclusion & integration of people from vulnerable groups, migrants & refugees (mainly Ukrainian refugees) and to support them to understand & adapt better to the current European context and to apprehend, respect & appreciate the shared European values.

Funded by  
the European Union

*„The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the National Agency and Commission cannot be held responsible for any use which may be made of the information contained therein.“*

# Objectives

- To develop the competences of university academia to organize & conduct on-wheels summer schools in environment protection & management and through the education process to support the integration of vulnerable groups and to overcome the existing stereotypes & prejudice towards migrants & refugees.
- Teach vulnerable groups on the importance of environmental sustainability & protection as part of EU main pillars.
- Enhance the abilities & skills of academia to help & support vulnerable groups.

Funded by  
the European Union

*„The European Commission support for the production of this publication does not constitute an endorsement of the contents which reflects the views only of the authors, and the National Agency and Commission cannot be held responsible for any use which may be made of the information contained therein.“*

# Resources

- IntegratEU Integration Pack: Manual on integration & Higher education Guidebook for migrants and refugees
- IntegratEU educational e-learning platform with all project results
- IntegratEU interactive library with various interactive & passive materials on IntegratEU top

# About Us

The IntegratEU project is being developed through the close collaboration of six partners, comprising five universities and one foundation.

This diverse mix of partners, each with its unique institutional background, ensures the project's successful implementation on local, regional, and European levels, leveraging their collective expertise to enrich and broaden the scope for enhancing the competences of university academia.

# Partners

- Sveuciliste u Zagrebu (University of Zagreb), Croatia –coordinator
- Vilniaus Kolegija/Higher Education Institution (VIKO), Lithuania
- Università Degli Studi di Catania (University of Catania), Italy
- Pax Rhodopica Foundation, Bulgaria
- University of Warsaw, Poland
- Taras Shevchenko National University of Kyiv (TSNUK), Ukraine
