

INTEGRATEU: *Summer schools*

on environmental protection, sustainability & ecological behavior
to support the integration and inclusion of migrants & refugees in
the higher education – enhance the university professors’
competences

JANUARY 2025 | VOL. NO. 2

Erasmus+ KA2 Cooperation Partnerships in Higher Education

Main Outcomes of INTEGRATEU

1. Conceptual framework.
2. Handbook for the summer school with theoretical & interactive content.
3. Collection of outdoor activities & Manual on how to organize IntegratEU summer schools.
4. Manual on integration & Higher education Guidebook for migrants and refugees.
5. IntegratEU educational e-learning platform with all project results.
6. IntegratEU interactive library with various interactive & passive materials on IntegratEU top.

Conceptual framework consists of:

- Methodological Framework:
 1. Introduction;
 2. Needs analysis;
 3. Plan of work:
 - 3.1. Definition and general approach;
 - 3.2. Didactical approach;
 - 3.3. Implementation;
 - 3.4. Project outcomes:
 - 3.4.1. Training pack:
 - Handbook;
 - Collection of Outdoor Activities ;
 - Manual on how to organize IntegratEU summer schools;
 - 3.4.2. Integration Pack:
 - Manual on Integration development;
 - Higher education Guidebook for migrants and refugees development;
 4. Testing, evaluation and valorisation.

Handbook for the summer school consists of:

- Ecology & environment protection in EU – main principles, concepts, EU environmental policy;
- Green economy & its place in the EU;
- Blue economy & how to expand its share;
- Environmental sustainability – What is meant by the phrase? How to achieve it? Taken & upcoming steps?
- Ecological behavior – do's & don'ts; hints & advice for improving one's behavior to be more environment friendly;
- Importance of environment protection to ensure Earth's survival & sustainable development.

Collection of outdoor activities consists of:

- Introduction;
- The outdoor activities collection framework;
- Motivational and engagement strategies;
- Outdoor Activity Sheets:
 - Activities for environment;
 - Activities for integration;
 - Activities for environment and integration.

Manual on how to organize IntegratEU summer schools consists of:

- Suggestions how to organize longer and shorter events and activities encouraging the mobilization of local and international communities.
- Practical instructions on how to plan, how to organize and how to conduct IntegratEU summer school to support the integration and inclusion of migrants and refugees in the higher education:
 - Profile of the participants;
 - How to attract & motivate participants to enroll?
 - How to organize the summer schools?
 - How to follow-up with the participants after the school?
 - How to promote the summer schools?
 - Communication & promotional strategy for the school.

Manual on integration consists of:

- Theoretical aspects of integration policy;
- Integration dimension of the summer school organization process;
- Educational strategies and methods as a component of the integration process;
- Social integration: fostering social inclusion and creating networks in host societies;
- Integration through education;
- Outcomes, evaluation and prospects.

Higher education Guidebook for migrants and refugees consists of:

- The section on higher education (Legal aspects of legal study, Overview of the HEI System, Eligibility and Access, Application process, Financial Aid and Scholarships, Support services and Resources);
- The section on environmental behavior (Sustainable Living and Consumption, Responsible Travel and Transportation, Environmental Protection and Biodiversity, Community Involvement and Education).

About Us

The IntegratEU project is being developed through the close collaboration of six partners, comprising five universities and one foundation.

This diverse mix of partners, each with its unique institutional background, ensures the project's successful implementation on local, regional, and European levels, leveraging their collective expertise to enrich and broaden the scope for enhancing the competences of university academia.

Partners:

- University of Zagreb, Croatia
- VIKO Vilniaus Kolegija, Lithuania
- PAX Rhodopica Foundation, Bulgaria
- University of Catania, Italy
- University of Warsaw, Poland
- Taras Shevchenko National University, Ukraine
