

INTEGRATEU: *Summer schools*

on environmental protection, sustainability & ecological behavior
to support the integration and inclusion of migrants & refugees in
the higher education – enhance the university professors’
competences

SEPTEMBER 2025 | VOL. NO. 3

Erasmus+ KA2 Cooperation Partnerships in Higher Education

Main Outcomes of INTEGRATEU

1. Conceptual framework.
2. **Handbook** for the summer school with theoretical & interactive content.
3. **Collection** of outdoor activities & Manual on how to organize IntegratEU summer schools.
4. **Manual** on integration & Higher education Guidebook for migrants and refugees.
5. IntegratEU educational e-learning **platform** with all project results.
6. IntegratEU **interactive library** with various interactive & passive materials on IntegratEU top.

Conceptual framework

- Lays down the basis, structure & methodology of IntegratEU training course.
- All partners organized deeper research among the target groups on their needs & preferences for the training course in sustainable environment management & ways to enhance the social inclusion.
- Based on the partners' analysis of the received feedback from the deep-interviews, deep research of the current offers in IntegratEU topic and the sophisticated gap analysis, Framework was developed.

Training Pack & the Integration Pack

What's the purpose of the **Handbook for the summer schools**?

- **Training materials** that will be used for the education process during the summer schools.
- **The Handbook** includes some theoretic content but the main materials are case studies, good examples, videos on various topics related to environment protection & migrants inclusion, etc.
- The partnership developed various digital content that is easy to use and more engaging for the audience.

What's the purpose of the **Collection of outdoor activities**?

- The Collection of outdoor activities is a compilation of various face-to-face and outdoor activities to be used during the summer schools as a way to keep the engagement & motivation high.

What's the purpose of the **Manual on how to organize IntegratEU summer schools**?

- The Manual provides practical instructions on
 - how to plan
 - how to organize
 - how to conduct IntegratEU summer school to support the integration and inclusion of migrants & refugees in the higher education.

Funded by
the European Union

What's the purpose of the Manual on integration?

- **The Manual** includes didactical plan for the professors on how to make the most of the educational process during the summer school.
- The Manual includes good educational practices for delivering inclusive training & for doing outdoor activities with focus on environment protection and sustainability

What's the purpose of the Higher education Guidebook for migrants and refugees?

- The Guidebook for the migrants & refugees is a practical guidebook with two separate sections:
 - a. Section on higher education – it will be focused on how the higher education process is organized in the host country. It provides a detailed information on how they can apply for & enrol in a university course
 - b. Section on environment behaviour – it is focused on providing practical advices on how to apply in practise all learnt during the summer school courses in the field of environmental protection, sustainability & ecological behaviour.

About Us

The IntegratEU project is being developed through the close collaboration of six partners, comprising five universities and one foundation.

This diverse mix of partners, each with its unique institutional background, ensures the project's successful implementation on local, regional, and European levels, leveraging their collective expertise to enrich and broaden the scope for enhancing the competences of university academia.

Partners:

- University of Zagreb, Croatia
- VIKO Vilniaus Kolegija, Lithuania
- PAX Rhodopica Foundation, Bulgaria
- University of Catania, Italy
- University of Warsaw, Poland
- Taras Sebchenko National University, Ukraine
