

APPLICATION FOR PARTICIPATION

PROFICIENCY TESTING No. PTS 26/06-T-1

IN ACCORDANCE WITH ISO/IEC 17043:2023

This proficiency testing scheme is within the scope of accreditation of the PT Provider PTS Bulgaria

1. Information about the applicant

Name of the Laboratory:

Head of Laboratory:

Contact Person:

Telephone:

E-mail:

2. Information on participation

PT Item	Test Method	Characteristic	Participation	** Number of Participations
		Particle size distribution		
	*EN 933-1, including Clause 7.1 "Washing"	/cumulative percentages passing through sieves: 4 mm, 2 mm, 1 mm, 0.500 mm, 0.250 mm, 0.125 mm/ (mean value of three determinations for each sieve)		
		Fines content		
	*EN 933-1, including Clause 7.1 "Washing"	/percentage of fines passing the 0.063 mm sieve/ (mean value of three determinations)		
		Sand equivalent, SE(10)		
	*EN 933-8+A1	(mean value of two or three individual determinations)		
		Loose bulk density, ρ_b		
	*EN 1097-3	(mean value of three individual determinations)		
Aggregates		Water content, w		
	*EN 1097-5	(mean value of three individual determinations)		
		Apparent particle density, ρ_a		
	*EN 1097-6, Clause 9 "Pyknometer method"	(mean value of three individual determinations)		
		Oven-dried particle density, ρ_{rd}		
	*EN 1097-6, Clause 9 "Pyknometer method"	(mean value of three individual determinations)		
		Saturated and surface-dried particle density, ρ_{ssd}		
	*EN 1097-6, Clause 9 "Pyknometer method"	(mean value of three individual determinations)		
		Water absorption, WA_{24}		
	*EN 1097-6, Clause 9 "Pyknometer method"	(mean value of three individual determinations)		
		Pre-dried particle density, ρ_p		
	*EN 1097-6, Annex A, Clause A.4 "Pyknometer method for pre-dried particles"	(mean value of three individual determinations)		

* Testing shall be performed in accordance with the latest valid version of the applicable normative document.

** When the laboratory applies for more than one participation, the number of participations shall be indicated for the respective characteristic. For each declared participation, a separate proficiency test item is provided and a separate code is assigned.

3. Information on receipt of the proficiency testing items

Shipping address:

Postal code:

4. Invoice details

Name of the Organization:

Company Registration Number
(National Identification Number):

Value Added Tax (VAT) Number:

Tax Address
(registration address of the organization):

Legal Representative:

5. Contacts
