Financing Options for Tuition

Education is a substantial investment in your future. At Constructor University, we strive to make it affordable for students worldwide. We offer students personalized financing offers to help cover their tuition fees. They consist of one or more types of financial support in the form of scholarships and tuition deferrals.

Get admitted & automatically receive your financing offer!

Scholarships

All students are considered for an academic achievement scholarship based on their school grade point average (GPA). This can be up to € 11,000. Students are informed about their scholarship amount immediately following admission.

A limited number of full scholarships and talent scholarships are also available for students applying before February 1st.

No separate application is required.

Tuition Deferral Program

Partial deferral of the tuition fees is offered independently of the financial situation of the student or their family. It's calculated automatically and available to you shortly after admission.

Conditions

- › Repay a fixed percentage of your future income
- › The percentage depends on the study major and the amount of the deferral
- › The repayment is for 10 years when the student reaches a predefined minimum income

It is not a loan

- › No interest
- › Limited repayment time
- › Cap on what you pay back
- › Tax deductible in Germany

Funding available for EU Students

EU/EEA/EFTA students are guaranteed a scholarship of at least € 4000

EU/EEA/EFTA students usually receive € 10 000 Tuition Deferral
